Bade Companies’ development director, Landis Elliott, proudly introduces guest speaker Peoria Mayor Bob Barrett. An advocate for water conservation, Mayor Barrett’s topic focuses on “Using Water as a Planning Tool.”

Members of the Peoria Chamber of Commerce and the public are invited to partake in the \$20 luncheon from 11:30 a.m. to 1 p.m. on Sept. 12 at the Arrowhead Country Club located at 19888 N. 73rd Avenue in Glendale. Companies' slogan, "Your West Valley Developer."

The Bade Companies are hammering away on future developments spanning from the Northwest to the Southwest Valley. Bade Companies have a new 38,000-square-foot office and medical condominium project designated for completion by summer 2008, Plaza del Lago, underway at Lake Pleasant Parkway and Yearling Road in Peoria.

In November 2007, Bade Companies plan to open two projects under construction in the City of Surprise. SkyCom Business Park, an industrial development located on the northwest corner of Peoria Avenue and Dysart Road, includes built-to-suit opportunities, lots for sale, and two spec buildings each with its own yard. Grand Pointe Plaza, a 10,427-square-foot mixed-retail office and medical building, offers space for lease or purchase at the intersection of Parkview Place and Mountain View Boulevard.

"Bade Companies first two Southwest Valley projects, Indian Palms and Wigwam Commons in Goodyear, Ariz., have been a big success," Elliott said. "We are proud to be a partner with all the West Valley communities."

The Bade Companies act as the general contractor, real estate broker/agent and development company, so customers only need one telephone number throughout a project from reviewing the site plan, to meeting with an architect, to handing over the keys.
